Pieces & Weight-change if applicable
Ready Time & Date-can be changed to pre-book a delivery for a future date and time
Vehicle-you can leave as is, the dispatcher will choose the correct vehicle based on the items being delivered.

Service-use this to choose your service, or click the "Quote" button at the bottom of the page to find out what services are available

Order Reference-this is where you enter your firm's billing reference, such as a "Client Matter" or "Client Code"

Billing-if your company already has an account, ignore this field as your payment option is already established.

Email Notification-you can enter up to 3 different email addresses or cell numbers to receive instant notifications of when your order has been created, picked up or delivered.

EZ Ship-if you plan to make this delivery again, click here to save it. It will then show up as an EZ Ship location on the top of screen drop-down menu.

Click "Quote" to find out what service options are available. Then follow the instructions below for completing your delivery request.

Order and Round Trip Buttons

After clicking on the Quote button and choosing your service type, simply click on the Order button if it is a one-way delivery.

If your delivery is a round-trip delivery, click the Round Trip button instead of the Order button. You will then receive the message below. Click OK and then click the Order button to submit the return leg of your delivery. Your delivery request is now complete.

Administrative Items

Setting Preferences

The first time you log in, you should set up your default settings to make placing orders in the future much faster.

1. Click **Your Account** to display the **Edit Preferences** page.
2. If this has not been established for you, enter your name, direct telephone number (including extension) and your pick-up address.
3. At the bottom, put your email address in the Email Notification field and choose when you want to be notified. Then click **Save** at the bottom of the screen to save your information.

Important: For the pick-up address, if the courier picks up from the mailroom at your firm, type *mailroom* in the **Contact** field of the pick-up address instead of your name.

Setting Up New Users

1. Click **Your Account** to display the **Edit Preferences** page.
2. Click **Administration**, then choose **Administrator Maintenance**.
3. From here, click **Set up New User** to create a new username and password.
4. Make sure to select your account from the **Account ID** drop-down menu.
